这几个都是最近非常热门的新题。你的目标不是背答案，而是记住 **故事 + 关键词 + P3观点**。

结合你的背景（计算机、AI、HKU访学、科研），下面这些素材特别容易发挥。

---

25. 很久没收到回复的信息

P2 故事

Who

- a professor
- a research supervisor
- university teacher

导师/教授

Message about

- summer research opportunity
- academic visit
- research project

暑研或科研项目

What happened

- sent an email
- waited for nearly two weeks
- checked my inbox every day

发邮件后等了两周

Finally?

- yes
- professor was busy
- received a positive reply

最终收到了回复

Feelings

开始:

- worried
- nervous
- uncertain

后来:

- relieved
- excited
- grateful

万能句

> At first, I thought the professor had ignored my email, but it turned out that he was simply busy with academic work.

起初我以为教授忽略了我的邮件，后来发现他只是太忙了。

P3关键词

Why reply slowly?

- busy schedule
- too many messages
- forget accidentally

工作忙、消息太多、忘记回复

Why no reply?

- not interested
- spam messages
- no useful information

Message vs Call

- less disturbing
- convenient
- reply anytime

信息不会打扰别人。

Respect in messages

- polite language
- greetings
- thank the receiver

礼貌表达。

长期目标 / 抱负

P2 故事（强烈推荐）

Goal

- become an AI researcher
- contribute to society
- develop useful technologies

成为AI研究人员

How long

- since high school
- interested in technology

高中开始

How

- postgraduate study
- publish papers
- join research projects

读研、科研、发表论文

Why

- fascinated by AI
- solve real-world problems
- help people

用AI解决现实问题

万能句

> I hope my research can make people's lives easier and more efficient.

希望研究成果让人们生活更方便。

P3观点

Why should children have ambitions?

- motivation
- clear direction
- self-improvement

有目标才有动力。

High positions?

- more responsibility

- more influence
- not suitable for everyone

Ambitious people?

Pros:

- hardworking
- goal-oriented

Cons:

- stress
- work-life imbalance

遇到困难最终成功的人

P2 故事

Person

- my cousin
- one of my classmates

表哥或者同学

Difficulty

- failed an important exam
- poor English skills
- financial pressure

考试失利

Overcome

- studied harder
- improved time management
- never gave up

努力学习

Success

- entered a top university
- received a scholarship

考上研究生

评价词

- determined
- hardworking
- resilient
- inspiring

坚持不懈

万能句

> His story taught me that persistence is often more important than talent.

坚持往往比天赋更重要。

P3观点

Easy industries to succeed?

- technology
- AI
- e-commerce
- digital services

科技行业发展快。

Why?

- strong demand
- rapid development
- many opportunities

改变重要想法

P2 故事（非常适合你）

Original opinion

- grades are everything
- academic results are the most important

成绩最重要

Why changed

- university experience

- internships
- research projects

大学经历改变想法

New opinion

- communication skills
- teamwork
- practical experience

能力同样重要

Feelings

- more mature
- open-minded
- realistic

更加成熟

万能句

> I realized that success depends not only on academic performance but also on practical skills.

成功不仅依赖成绩。

P3观点

Children have own opinions?

- around 10-12 years old
- independent thinking

Parents or teachers?

- parents in childhood
- teachers during school years

Share opinions?

- close friends
- classmates
- parents

当地新闻

P2 故事（最容易讲）

Topic

- a new subway line
- transportation improvement

新地铁线路

Where

- social media
- local news app
- TV news

Who involved

- local government
- residents
- commuters

Why interested

- save commuting time
- reduce traffic congestion
- improve daily life

高频词

- transportation system
- public facilities
- urban development
- infrastructure

万能句

> Many people paid attention to this news because it would directly affect their daily commute.

很多人关注，因为影响日常通勤。

P3观点

Read newspapers?

- less than before
- online news
- smartphones

Local or international news?

Local:

- daily life

International:

- broader perspective

两种都重要。

National identity?

- important
- sense of belonging
- cultural heritage

How develop national identity?

- learn history
- traditional festivals
- cultural education

考前最值得背的 5 个万能故事

故事1

Professor replied late

适用：

- 没收到回复
- 老师
- 电子邮件
- 困难经历

故事2

Become an AI researcher

适用：

- ambition
- future plan
- dream job
- role model

故事3

Classmate failed exam but succeeded

适用：

- successful person
- proud person
- difficult experience

故事4

Grades are not everything

适用：

- changed opinion
- education
- personal growth

故事5

New subway line in Guangzhou

适用：

- local news
- city development
- transportation
- public facilities

如果下午考试只剩几个小时，我建议重点背 **“AI researcher（抱负）”** 和 **“Grades are not everything（改变观点）”** 这两个故事，因为它们还能迁移到大量其他 Part 2 题目。
